

Say Something Strategy

1. With your partner, decide who will say something first.
2. Answer the focus questions:
 - a. How can we think about narrative in new and meaningful ways?
 - b. Where is narrative in the real world?
 - c. How does it fit in your discipline?
3. Then your partner will “say something.” When you say something, do one or more of the following:
 - a. Ask a question
 - b. Clarify something you had misunderstood
 - c. Make a comment
 - d. Make a connection
4. Now it is your partner’s turn to answer the focus questions and you will “say something” in response.
